Subject: Re: Data Release Needed ASAP

Folk , headquarters Eoc is not posting the data, unified command is, we are standing by waiting for the messaging. We have cleared all data.

Dana S. Tulis
Deputy Office Director
Office of Emergency Management
US EPA
202-564-7938

We believe that tNew Mexico will issue a press release momentarily indicating that they will lift restrictions on the Animas and San Juan rivers in part because they have not received sampling data results from EPA. Will you have a night shift complete work on the packages?
